Company Profile

Resilient Leadership Training and Coaching Services

Competencies Emphasized

- Individual and organizational resilience
- Team-building

- Change management
- Collaborative problem solving
- Conflict resolution
- Emotional intelligence
- Resilience and Neuroscience
- Post-traumatic growth
- Workforce wellness
- Personal and professional transitions

Resilient Leadership Training provides tools for leaders to strengthen and maintain their own resilience and foster a shift in their teams, from a victim mindset, to empowered, self-accountable, proactive behavior during times of change.

Clients develop practical, actionable skills and strategies that can be implemented rapidly.
